Cabernet Sauvignon 2022

Tasting Notes

Sit back and settle in, this is a wine that needs time in your glass and could certainly cope with a stretch tucked away in your cellar.

Cassis, blackberries, blood plum and violets reveal themselves in this incredibly complex wine. The deep dark palate shows all the hallmarks of an excellent vintage. Concentrated fruit licked with varietal herb, licorice, spice and integrated oak make way for the powerful yet medium bodied tannin structure. Long, elegant and composed. This is serious cabernet

Cellaring- A wine that will absolutely reward some time tucked away in a dark cool place.

Vintage comment

"Vintage 2022 was excellent in terms of vine balance, yield and therefore quality!"

Weather throughout the growing season was mild, with few extremes of heat or cold. We experienced early shoot development, flowering and then a lengthy ripening period. In terms of these seasonal conditions, I'd go so far as to say it's been the most representative Coonawarra season I've seen in the last 20 years!
