

2020

The Beginning

An exceptional parcel of Cabernet is laid down in seasoned oak.

2021

A New Layer

A portion of the new vintage is blended into the original reserve.

2022

Greater Depth

Another vintage joins, adding complexity and dimension.

2023

Another Chapter

The lineage continues. Each year enriches the whole.

2024

Solera ONE

A perpetual reserve containing every vintage since the project began.

*One wine.
Every vintage.
The story continues...*

“A moment to marvel at the mastery of Kate Goodman. Stunning.”

Shanteh Wale
Halliday Wine Companion

Solera | ONE

Premium Coonawarra Cabernet inspired by the centuries-old Solera method.

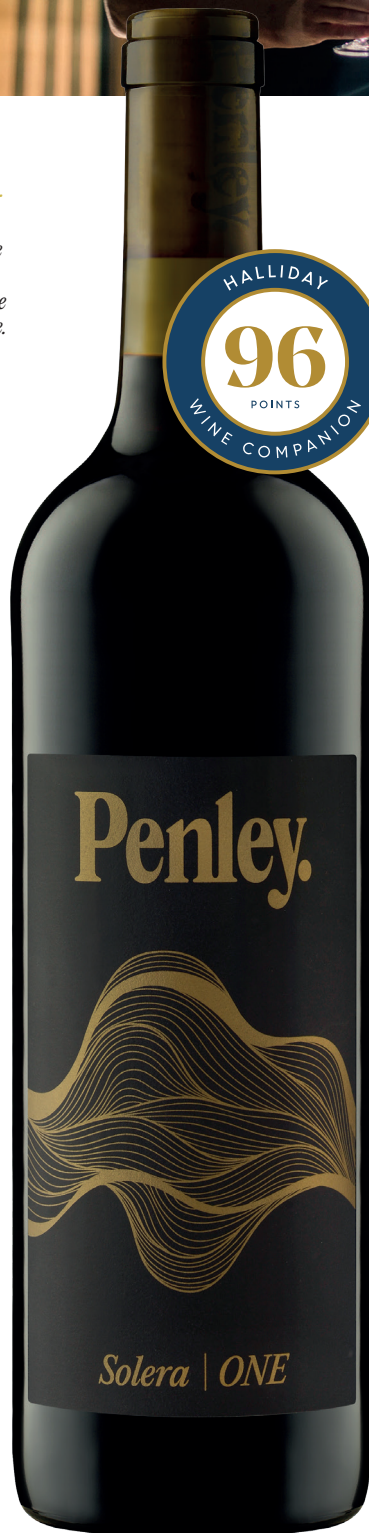

Originating in southern Spain, the Solera method is one of the world's oldest winemaking traditions and is rarely used in Australian table wine. Rather than bottling a single vintage, each release carries forward a portion of every previous vintage, creating a perpetual reserve that grows richer and more complex over time.

In 2020, Halliday Wine Companion 2024 Winemaker of the Year Kate Goodman set aside an exceptional parcel of Coonawarra Cabernet Sauvignon to begin Penley's Solera journey. From 2021 to 2023, each new vintage was blended into the reserve before returning to seasoned oak barrels.

Today, **Solera ONE** contains every vintage since the project began, preserving the character of the original wine while adding layers of complexity, depth and harmony.

Greater than the sum of its parts, **Solera ONE** is a singular expression of time, continuity and craftsmanship.

Every bottle carries a living thread from the first vintage laid down in 2020. That original wine will remain part of every future Solera release, creating a story that evolves with every harvest.

Penley.
